How to Register for the IPC on the Run Module Series

1. Navigate to www.ipcontherun.ca. Click any of the three 'Login / Sign Up' that you will see throughout the site. This will open a new window taking you to the IPC on the Run Modules page (<http://modules.ipcontherun.ca>)

A screenshot of the IPC on the Run website. The page has a grey header area with the "IPC on the run" logo in blue and yellow. Below the logo is the tagline "Enhance your ability to practice collaboratively." and a search bar. A navigation menu is centered below the search bar, with "THE ONLINE MODULES" highlighted in a black box. A "LOG IN / SIGN UP" button is circled in blue. The main content area is white and features the text "THE ONLINE MODULES" with a yellow "LOG IN / SIGN UP" button circled in blue. A small "Log In / Sign Up" button is also circled in blue in the top right corner of the header area.

2. Click 'Create new account' from either of the two links.

The screenshot displays the 'IPC on the Run - Modules' website. At the top left is the logo 'IPC on the run Modules'. At the top right, it says 'You are not logged in. (Log in)'. On the left side, there is a 'LOGIN' section with fields for 'Username' and 'Password', a 'Remember username' checkbox, and a 'Log in' button. Below the 'Log in' button is a 'Create new account' link, which is circled in blue. Below the login section is a 'NAVIGATION' section with links for 'Home' and 'Courses'. Below that is a 'TECHNICAL SUPPORT' section with the email 'chd.it@mail.ubc.ca'. At the bottom left is the 'IPC ON THE RUN WEBSITE' section with the logo. In the center, there is an 'ATTENTION!' message: 'If you had an account for the pilot modules, you will need to set up a new account to access the new and improved modules and resources.' Below this is the 'Available courses' section, titled 'IPC On The Run Modules'. It contains text about the online module series and lists six competency-based modules: 'Interprofessional Communication', 'Patient-Centred Care', 'Role Clarification', 'Team Functioning', 'Conflict Management', and 'Collaborative Leadership'. Below the list is a 'Create a new account to access this valuable resource.' link, which is also circled in blue.

4. A registration confirmation will be sent to your e-mail account with a link to confirm your registered e-mail address. After clicking on the link in the confirmation message, your registration will be confirmed. Click 'Courses' to continue.

IPC On The Run Modules

IPC on the Run is an online module series that includes an introductory module and six competency-based modules.

Introduction to Interprofessional Collaboration is an open access, interactive, self-directed module that is 100% online and provides an overview of concepts and principles related to interprofessional collaborative practice. The module takes about 30 minutes to complete and provides a foundation for further learning in the area of collaborative practice, for both pre-licensure and practicing professionals.

The six **competency-based modules** are designed to support interprofessional education for interprofessional collaborative practice. Each module is based on one of domains identified in the National Interprofessional Competency Framework:

- Interprofessional Communication
- Patient-Centred Care
- Role Clarification
- Team Functioning
- Conflict Management
- Collaborative Leadership
